

No inspection = no cover

So... Here's how to self-inspect your car or motorbike in 5 simple steps

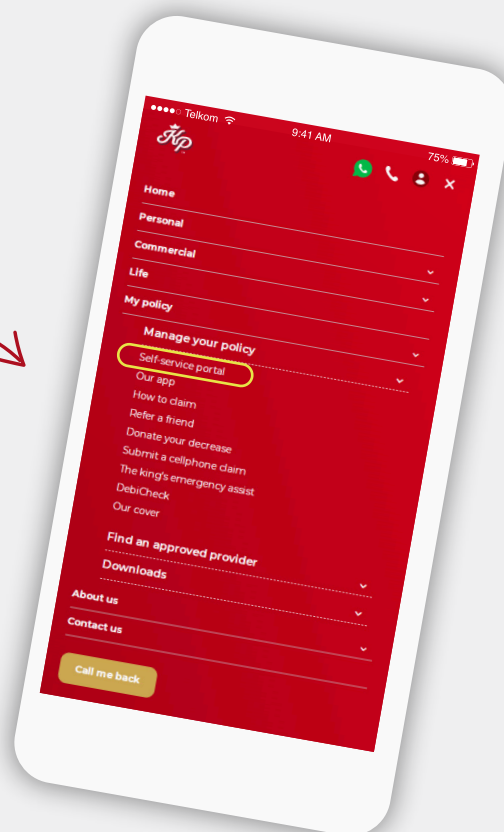

Step 1

Grab your phone, walk to your car and go to kingprice.co.za in your phone's browser.

Step 2

Select 'Self-service portal' under the 'My policy' tab. If you need help to create a profile or log in on our self-service portal, check out [this handy guide](#).

Step 3

Once you're in, tap on the orange bar:

! Self-inspection required for 2017 Hyundai Creta. [Tap here.](#) >

If you logged in to our self-service portal on your computer, you'll have to switch over to your phone, and start at step 1 again. (Sorry... We did warn you.)

Step 4

Check these 4 things:

How to self-inspect	
	Get a clear view
	Make sure the location is well-lit
	Check your camera's focus
	Make sure your car/motorbike is clearly visible in your photos

Step 5

And then follow the easy instructions. You'll need to:

- Take and upload 5 photos.
- Fill in some details from, or scan, your car's licence disc.
- Answer 'yes' and 'no' to some questions about the condition your car's in.

That's it! 5 steps in 5 minutes... **It's that simple!**
